Cleveland HS Offers Early Schedule Review Opportunity

Cleveland High School students and parents who would like to discuss class schedules and programs of study will have the chance to get a head start on the process at the end of June. During a three-day period, counselors and administrators will be available to preview student schedules for the 2009-2010 school year and to discuss desired schedule changes, review transcripts and assist with students' programs of study.

Incoming juniors and their families are invited to attend on Monday, June 29, incoming sophomores on Tuesday, June 30, and incoming ninth graders on Wednesday, July 1. All sessions will be held at Rio Rancho Middle School (formerly the Mid-High), 1600 40th St. NE, from 8:00 AM to 4:00 PM. Students and families will be seen on a first-come first-served basis.

Parents and students unable to attend on those days will have the opportunity to review schedules during registration at the end of July. The Cleveland High staff looks forward to meeting with students and parents and thanks them in advance for their patience during the schedule review.
