PURCHASING DEPARTMENT  
500 LASER RD NE  
RIO RANCHO, NEW MEXICO 87124**

**Request For Proposals Number: RFP#2018-005-IT  
TITLE: Purchase of Telecommunication Services**

**Date: January 26, 2018**

**To: Prospective Offerors**

**Subject: Cancellation Notice**

Rio Rancho Public Schools has issued a determination that cancellation of this procurement is in the best interest of the district. Various concerns exist based on the limited number of attendees at the mandatory pre-proposal conference whether the district would have the ability to procure the analog copper lines as required in the RFP. A re-solicitation – RFP #2018-008-IT will be posted to the Procurement website. <http://www.rrps.net>
